I recognize that we are all have events in our daily lives that may at times prevent us from making some our events; but your participation in these events makes them work. Besides that, it is a good opportunity to stay in touch with each other and yes, it involves some work, but the more hands we have the merry the work is. Remember you make the organization what it is; it does not make you.

Murphy's Law - Nothing is as easy as it looks. Everything takes longer than you expect, and if anything can go wrong, it will, at the worst possible moment.
