John went into the hospital had a blockage in his small intestines removed is in a great deal of pain but on the bright side has just recently began to have a liquid diet, however he is not looking to be released anytime soon. Tom was released from the hospital after having knee surgery and is having more pain issues then in his previous surgeries. Bruce lost his brother to COVID recently and wants to thank everyone for their prayers and for the support he received from us. Our Vice President Carl Thunell's wife Sharon is still receiving treatment for her condition and we need to keep him and her and their children in our prayers as well.

With the rapidly changing situation this year caused by the COVID virus the most rapid way for me to keep you fully informed of changes is thru emails. Not only that but with the delays in mail and the continuing increase in postage by you providing me an email address you help us contain our cost in mailings.
